

INVEST in Future Health Professionals

Why Should We Invest?

Colorado's Health Science and Public Safety education and the Colorado HOSA (Future Health Professionals) would like to invite you to partner with us for the 2015-2016 academic year. Colorado HOSA consists of 1,589 passionate future health professionals who are dedicated to enhancing the delivery of compassionate, quality health care by engaging in opportunities for knowledge, skill and leadership development and helping to meet the needs of the health care community.

As an organization, Colorado HOSA's purpose is to develop leadership and technical HOSA skill competencies through a program of motivation, awareness and recognition, which is an integral part of the Health Science Education instructional program. We cannot do this without the support of our existing partners and fellow healthcare professionals.

Invest Your Time

Sign up to be a Judge at our Colorado HOSA State Leadership Conference. We have over 50 competitive events, and 700 students who will meet March 3-5th at the Cheyenne Mountain Resort to demonstrate their academic expertise, professionalism, and passion for healthcare.

Sign up at the Colorado HOSA Website, <http://hosa.cccs.edu/> and save the date! Check out the competitive event guidelines at <http://www.hosa.org/node/117> to learn more about the events offered.

Invest Your Money

1. BECOME A PARTNER

Reaching over 1,500 Future Health Professionals, your company's support allows Colorado HOSA to help students "Become the Better Candidate" and provide resources to teachers to "Make Their Job Easier." Thank you for investing in your future team!
