Notes About Choosing Your Competitive Events

There are five buckets of competitive event times:

- | | | |
|-----------------------|---------------|---------|
| 1. CE Bucket 1 | 9 AM – 11:30 | March 7 |
| 2. CE Bucket 2 | Noon -2:30 PM | March 7 |
| 3. CE Bucket 3 | 2:30 – 7 PM | March 7 |
| 4. CE Bucket 4 | 7 AM – Noon | March 8 |
| 5. CE Bucket 5 | 1 PM – 6 PM | March 8 |

HOSA Members can compete in up to 3 competitive events, but they cannot overlap in times.

Some written tests will be available twice. Choose the bucket time that you want to take that test. You can only take ONE test during each Bucket Time.
