*What does it mean to successfully serve?

We cannot do this without help! This conference thrives on preparation, planning, and implementation. We need committed advisors and chaperones who are willing to pay attention to their assignment prior to attending the SLC, willing to pay attention to detail and **who will serve with heart.**

Event Managers

Will report to their Lieutenants to confirm that everything is set for their event, communicate with their assigned judges prior to State Leadership Conference, and assure proper scoring has been completed before judges leave.

Courtesy Corp Check-In

Will work at the Registration desk for the length of a Competitive Event Category and will confirm that Courtesy Corp representatives are in their assigned locations when needed.

HOSA Hangout/Dance /Bus Captain (New Advisors and Chaperones)

Will oversee the set-up and safety of students attending events

Judge (Chaperones only)

- Will follow the competitive event guidelines to score competitors and will attend the Colorado HOSA webinar before SLC.
